

Eurabus 3.0

650 KM

10 Years

**Up to 150
people**

More than eight years of practical experience in the electric bus industry is embedded in the Eurabus 3.0. With a very good price-performance ratio and a large range (up to **650 km**), a long battery life (**10-year warranty**) and a lot of space (up to **150 people** fit into the Eurabus 3.0, 18-meters version) the Eurabus 3.0 score points. At the same time, the Eurabus concept is also applied: every bus and the corresponding charging infrastructure is designed and manufactured in close coordination with the customer.
